Dear Governor Murphy,

On behalf of the Cherry Hill Public School District, I would like to thank you for your advocacy and voice in addressing the funding issues that so many public school districts in New Jersey have been facing.

At last evening's Board of Education meeting, a resolution (certified copy attached) was adopted to address the underfunding of our district. We have attached a copy of the resolution for your records. We hope that your efforts to fully fund the districts of our state will garner additional monies in the 2018-2019 school year to address Cherry Hill's funding gap.

Gratefully,

Joseph N. Meloche, Ed.D.
Superintendent of Schools
