September 19, 2016

Dear Parents/Guardians,

Today, Monday, September 19, 2016, a tree fell behind the 4th and 5th grade entrance of Kingston Elementary School. Children were not present outdoors when the tree fell.

The fallen tree has been marked with caution tape. Our staff will be on hand for dismissal today and students' arrival tomorrow to monitor the area and to make sure children to stay clear of the tree.

Our Buildings & Grounds crew will remove the tomorrow, September 20.

Please feel free to call me with any questions.

Sincerely,

William Marble, Ed.D.
Principal, Kingston Elementary School
